SKILLS

- Java, Ruby
- HTML,CSS, JavaScript
- Git
- Languages: German, Russian, English
- PHP and SQL
- Pc, Linux, Vagrant
- Usage of bash and simple scripting

ACTIVITIES

I am interested in art and music meaning you will find me mostly on those events as I thrive for contemporary artists also I like to read good literature in contrast to specialist ones and documentations of API's. Finally road bikes and cycling forms another hobby of mine.
